E. If Secret, designate Derived from: _____ Declassify on: _____	

4. PROCEEDINGS (Check one)

The primary author, representing all authors, wishes to (check the appropriate box):

- PUBLISH** or **NOT PUBLISH** the presentation in the appropriate proceedings.

Note that you are granting one-time permission to include your work in a DEPS copyrighted collection of the Symposium Proceedings.

5. AUTHOR SIGNATURE

The primary author's signature (representing all authors) confirms that they have obtained all approvals and releases to present this information at the above designated levels/restrictions during the DE Systems Symposium and, if requested, to publish in the proceedings. Author confirms that classification markings are correct and accurate, the distribution statement is in accordance with DoD 5230.24, the ITAR, and EAR, and that appropriate classification and downgrading information is properly displayed on the first page of all classified material.

Primary Author's Name and Address	Signature and Date

RESTRICTIONS AND DISTRIBUTION STATEMENTS

Choose column I or II

I. Government-Sponsored Work *(Choose this option if you have classification authority and the funding has government oversight.)*

All presentations must have an authorized distribution statement on the first page.
For further information about limited distribution statements, see DoD Directive 5230.24.

Distribution Statement A: Approved for public release; distribution is unlimited.

Distribution Statement C: Distribution authorized to U.S. Government Agencies and their contractors (fill in reason) (date of determination). Other requests for this document shall be referred to (insert controlling DoD office).

Distribution Statement D: Distribution authorized to the Department of Defense and U.S. DoD contractors only (fill in reason) (date of determination). Other requests shall be referred to (insert controlling DoD office).

Distribution Statement F: Further dissemination only as directed by (insert controlling DoD office) (date of determination) or higher DoD authority.

Note: If Distribution Statement F is used, DEPS will make no attempt to obtain permission from the author to publish. Presentations and papers with this distribution statement will not be included in any DEPS publications (e.g., proceedings).

Export Control Warning: All technical documents that are determined to contain export-controlled technical data shall be marked per DoDI 5230.24, paragraph 4.3.e.

II. Non-Government Work *(Choose this option if the work is privately funded, if you do not have classification authority and/or the funding does not have government oversight.)*

One of the following audience designations is required to place the brief in the appropriate session:

Everyone: No restrictions to the audience, public release

Restricted Audience:

C - U.S. Gov't Only: Distribution authorized to U.S. Government Agencies and their contractors.

D - U.S. DoD Only: Distribution authorized to the Department of Defense and U.S. DoD contractors only.
